## Class Poem

As the sands of time roll away,  
Each day  
There is someone going forward,  
On his way.  
Some of them go to the corners of the earth,  
To seek fame;  
Some of them stay around their hearth,  
To win their game.

Come let's step forward, class of '29,  
It's now our time.  
Let's all make success of every day  
On our way.  
And in the future honor C. H. S.  
Doing our best,  
And let this always be our creed,  
Proceed not recede.

### **PICTURES IN THE FLAMES**

As I sit before my fireside, my thoughts begin to fly  
Swiftly and so'tly back to dear old Crisman High.

In the leaping flames before these eyes of mine  
Appear visions and pictures of the class of '29

First appears Alan Norman, our president able  
Now in Paris designing coats of sable.

Next is Edna Lenburg as a nurse  
Who thereby means to fill her purse.

After that appears a book of poems, the latest of the day,  
Mae Lenburg is the author I am very glad to say.

My flame dies lower and amid the logs I see  
Roe Shook as an aviator in 1943.

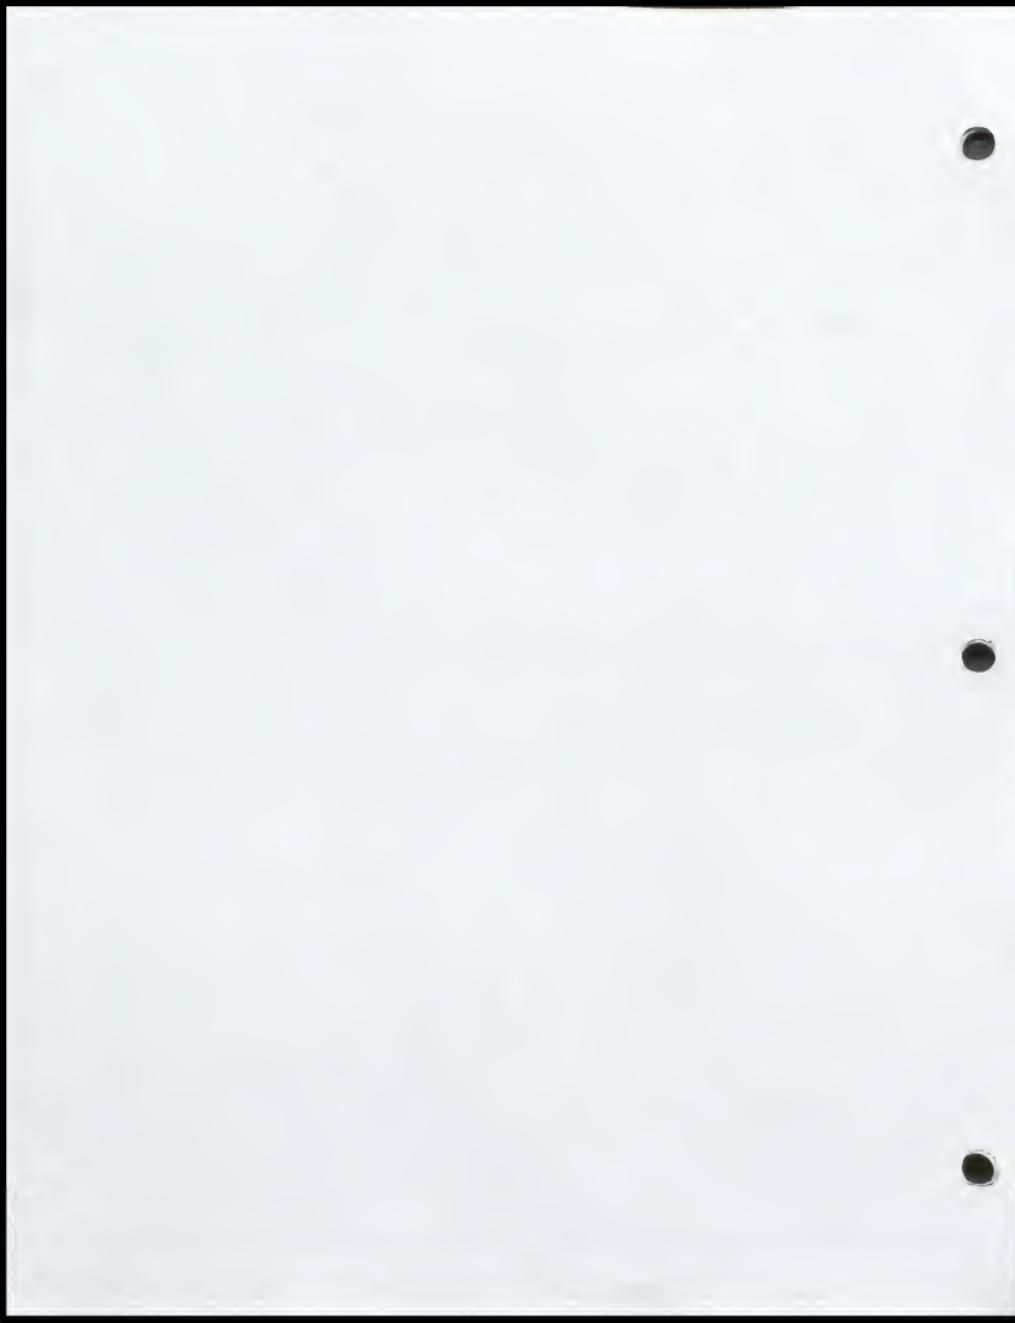

I see a stenographer whom can surpass  
It's Marie Nicholson, the ablest of our class.

And then the scene is changed and in a studio high  
Little Foreman is painting in colors of the sky.

After this comes Corkey, the funniest of the class  
Surrounded by figures, an accountant at last.

My flame dies lower, in the embers I see  
Jennie Foreman, a business woman, as busy as a bee.

My firelight dims, goes out, and I am left to pine,  
For those chums, those pals of mine, the class of '29.

## Class History

### A BACKWARD GLANCE

As we look back over the four years of our high school careers there are many things that stand out which we shall remember always.

In September of 1925 twenty-two Freshmen, each greener than the next and each trying to appear as unconcerned as possible, scrambled for the front seats (we didn't know any better) in the north rows of the assembly.

During the next few days we began a long struggle with Botany, Arithmetic and English under the leadership of Miss Parker, Mr. Hoff and Mrs. Jones. At the end of the term we emerged, if not any wiser, at least a little less green.

In the fall of '26 we found on our return to school, that our number had quite seriously dwindled. Only fourteen seemed to have been brave enough to tackle Latin and Algebra. Of the others, Benton Blackman, Gertrude Jeffery, Pearl Clouse, Clara Jacobs, Kenneth Poole, Leslie Scofield, Florence Schultz and Nettle Hittle, some had gone to other schools and some dropped out entirely. We also found that Mrs. Jones, our English teacher, and Miss Parker had deserted us and that Mrs. Lowe and Mrs. Carlson had taken their places.

At last, in the fall of '27 we found ourselves established in the south half of the assembly—Juniors. But alas, where were some of the familiar faces? Evelyn Hoffman, Lloyd Richmond, Mildred Johnson and Mae Hedstrom had

also left our ranks. However we found a new member, Alan Norman, who had formerly attended school in Gary. Mrs. Jones had also come back to teach us Caesar.

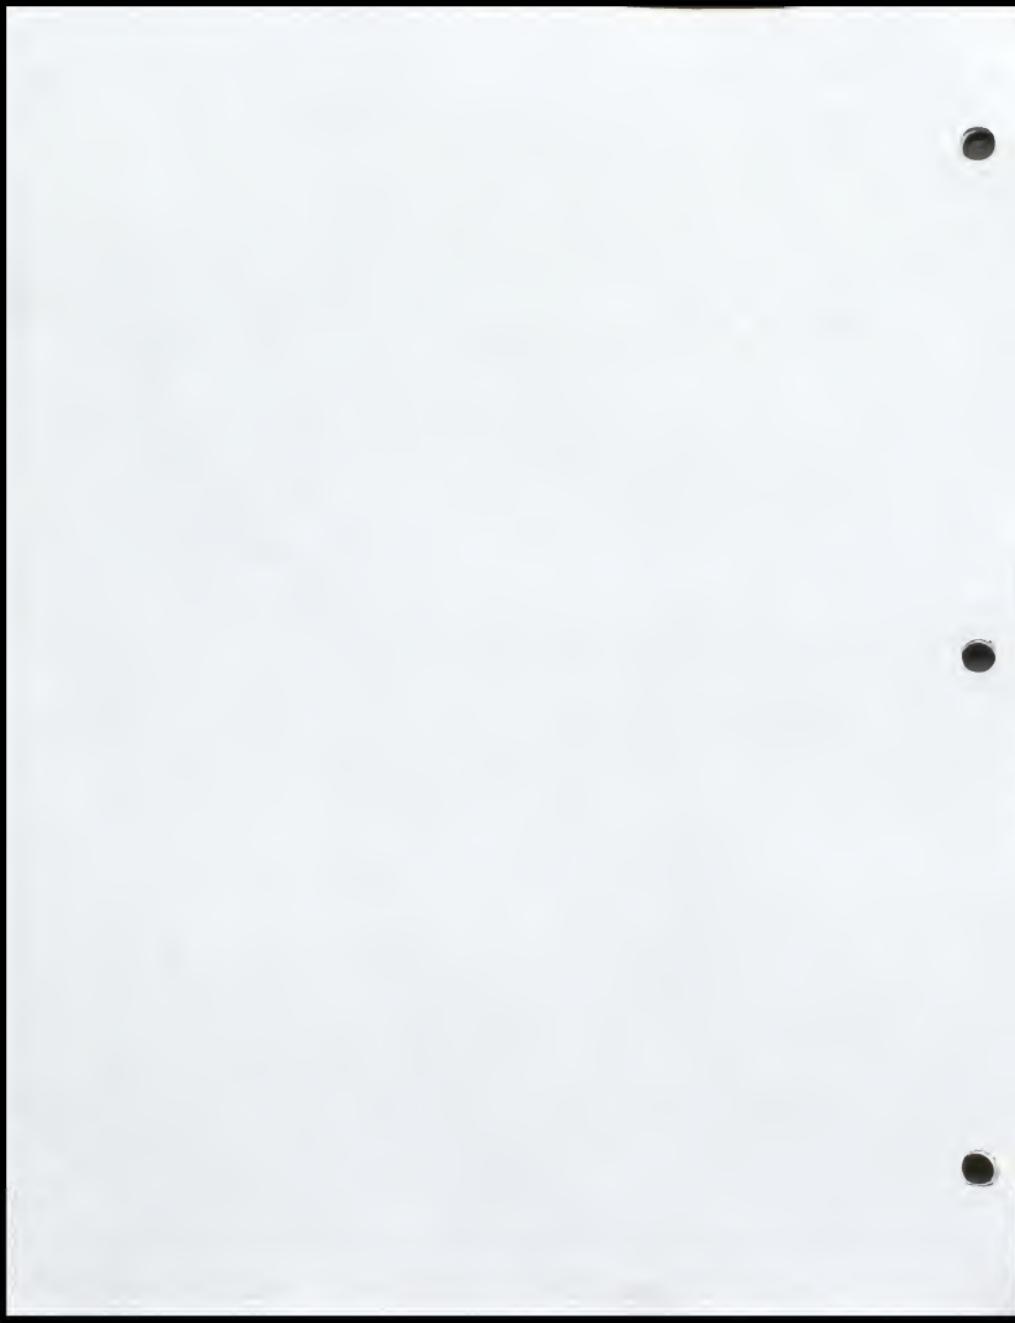

During the year we gave a play, "The Varsity Coach" with Mrs. Carlson as our director, and just before the end of the term took the Seniors of 1928 on a very enjoyable trip to South Bend.

Finally we reached that position looked forward to with envy by every Freshman. One of the first things on the program for our Senior year was a play, "The Adventures of Grandpa" most ably directed by Mrs. Jones. Around the last of the first semester we received our class rings which made us feel more than ever that we were really Seniors and also proved an incentive to try to act very dignified and serious.

At the first of the year there were nine in our class; one, Milford Stevenson having dropped out, however, before the end of the year. Of those who had been with us before, Helen Small, Edward Kimmel and Lewis Robbins had left to attend other schools. However, we welcomed a new member, Roe Shook, who entered into the spirit of our group and soon seemed like an old friend.

At the end of the year we were entertained at a banquet given by the Junior Class at the Hotel Gary. This affair proved very enjoyable and will be remembered as a high spot by the Seniors.

Though these four years have passed and become History we shall never cease to remember our teachers, our classmates and "Dear Old Crisman High."

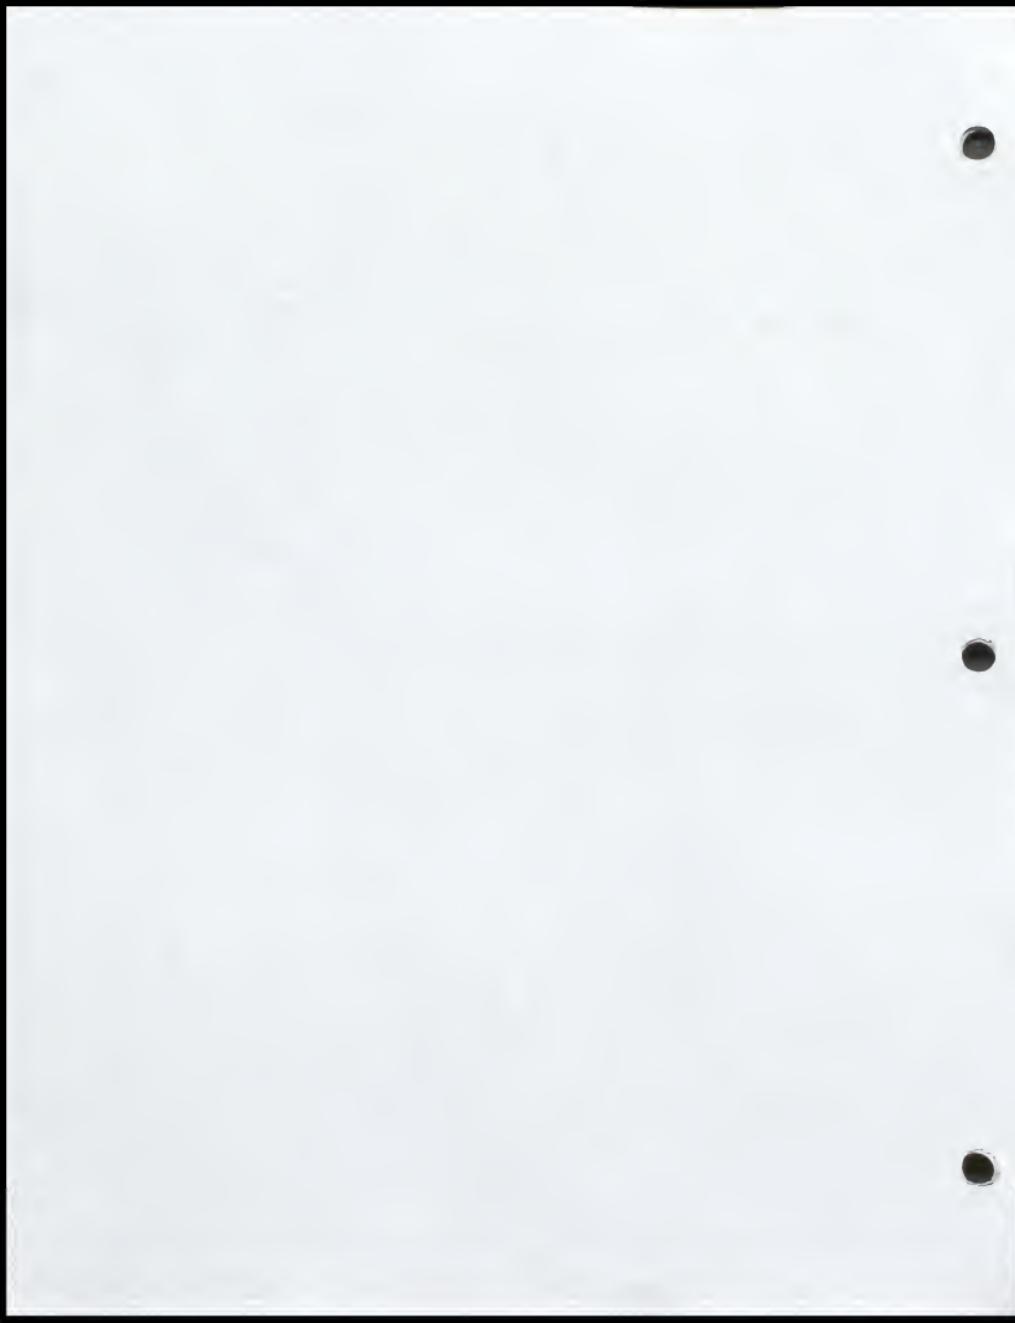

*Girls' Athletics***Basketball:**

Hail the Porter County Champions of 1929. Here we have, top row, left to right: Mary Murray, Mae Lenburg, Mr. Burris, coach, Eleanor Anderson and Muriel Dehnadge. Bottom row: Anna Crisman, Jenale Belle Foreman, Edna Lenburg, Mildred Wolfe, Lillie Ellen Foreman and Grace Garrison.

This year our girls won all of their conference games but one, which they lost to Griffith. Griffith, however, was beaten in a return game. At the County Tourney, they defeated all comers and won the Porter County Championship. They also defeated the Westville girls, who were the LaPorte County champions. They received a trophy for winning the most conference games of the season.

**Track and Baseball:**

Crisman girls also have a track and baseball team this year, which promises well.

## *Boys' Athletics*

### **Basketball:**

From left to right, we have:  
Mr. Burrus, coach, Russell Lindquist, Melvin McCorkel, William Cruckshank, Melvin Hood, Roe Shook, Raymond Sodomka, Arthur Ruhe, Alan Norman and Russell Nicholson.

This year the boys' basketball team won ten of the twenty games played; an average of .500. In the County Tourney, held at Valparaiso, they reached the semifinals, where they were defeated by Chesterton.

As only two of the team graduate this year, Roe Shook and Alan Norman, there is a good foundation for a team next year.

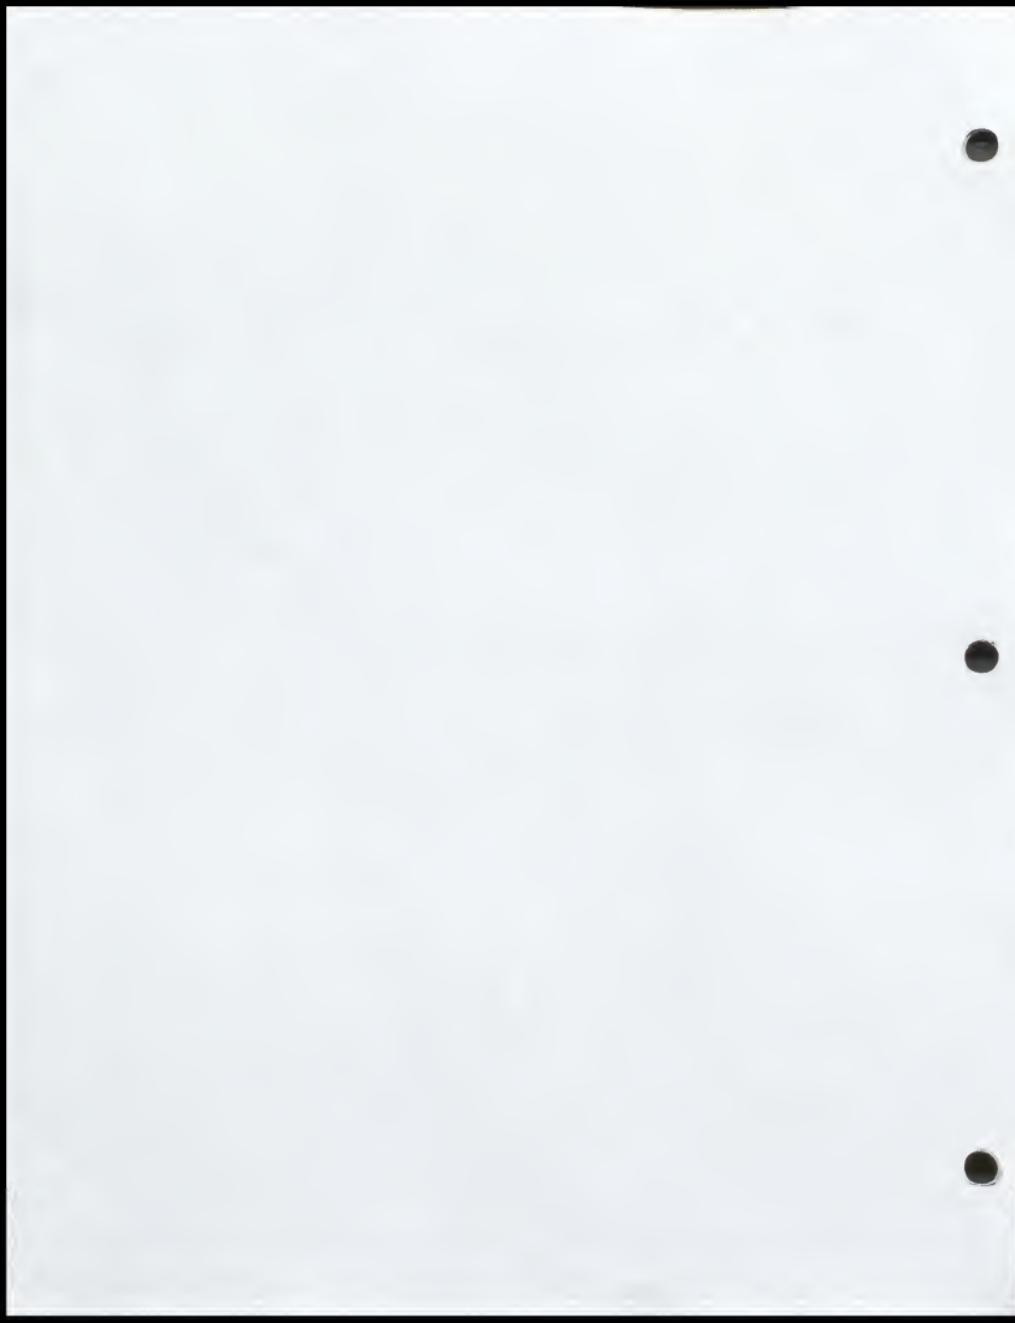

### **Baseball:**

Last year, the boys' baseball team won the trophy in the Lake-Porter Conference, by defeating Griffith. This year, under the able coaching of Mr. Burrus, we hope that they will do even better than last year.

### **Track.**

Crisman has never done much work in track, as it was only last year that a track team was organized.

In spite of this fact though, they did well in the track meet that was held at Merrillville. This year they go to Gary to compete in the sectional meet.

Our eyes have seen the glory of the coming of the day  
When we shall all be graduates, the twentieth of May,  
We are a class of just us eight

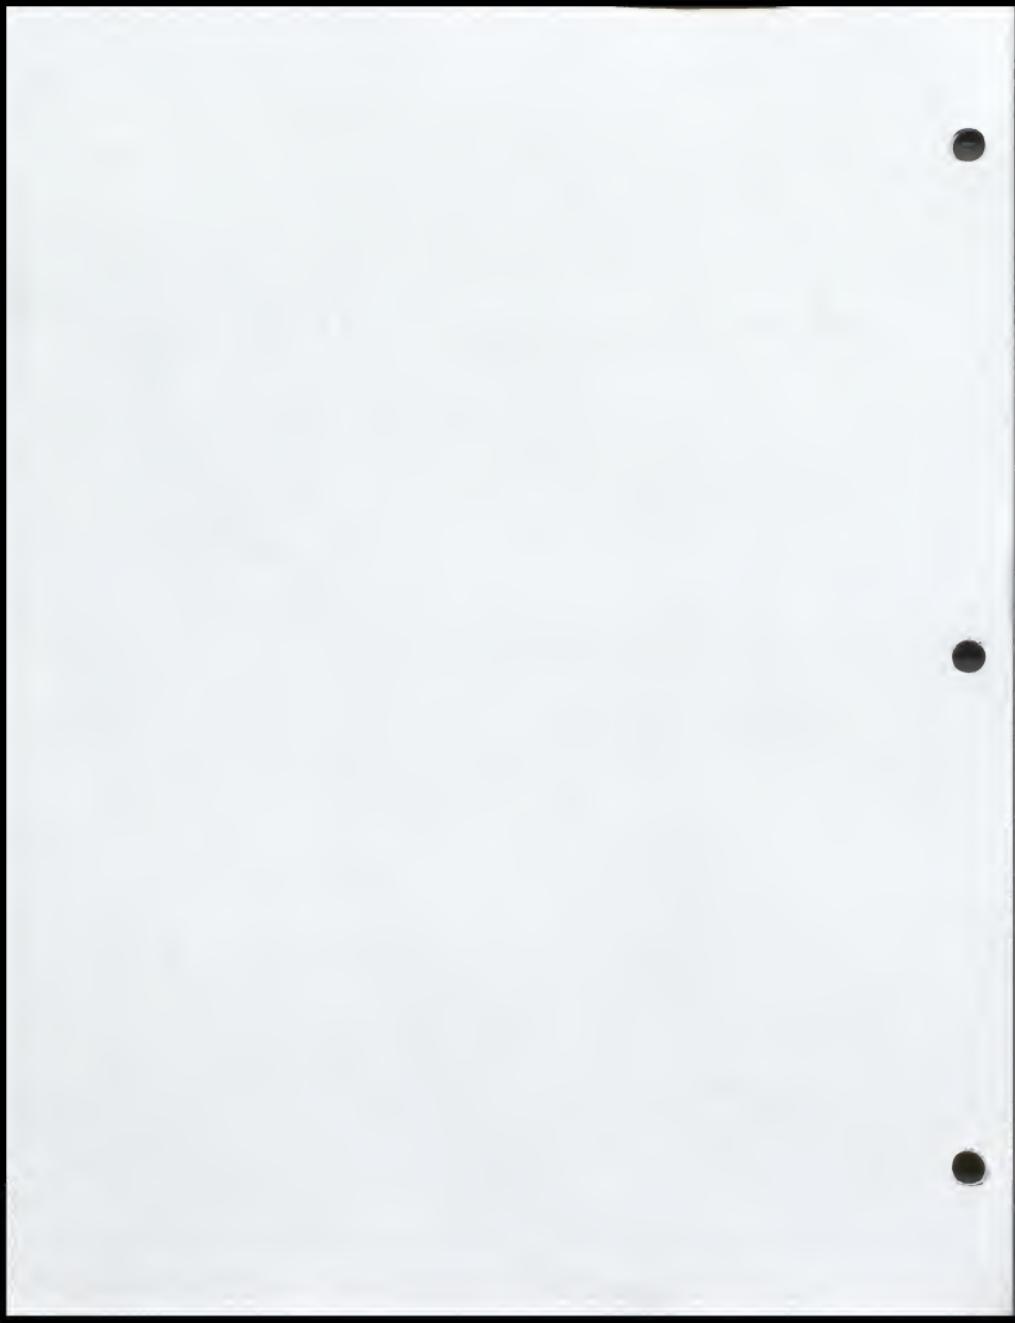

The class whom all appreciate  
As we go passing on.

Our hopes have risen to the top of the crowning creed,  
We hope you always look at them and then take heed,  
We are about to make our debut

As you all well know,  
As we go passing on.

### Chorus:

Crisman High School how we love you,  
C. H. S. there's none above you,  
Crisman High School, yes we love you  
As we go far away.

## ALL COUNTY TALENT DAY

All County Day was held May 3 at Valparaiso University Auditorium. Our own band opened the evening session. Our trio, composed of Leila Carlson, Esther Hufford and Willard Gustafson was well received. In fact the Vldette-Messenger, in a report, complimented them highly.

The whole program was enjoyed by a large crowd. The busses from different schools took the children which enabled nearly all children to attend. Due to the storm the day before some of those on the program were absent.

## JOKEs

Superintendent: What we need here in this school system is brains.

New Teacher: Yes, one doesn't have to be here long to understand your difficulty.

Dorothy L. was looking at a small thoroughfare, uncertain of the permission of its use for pedestrians. Approaching a man standing close by, she asked, "Do you think I'll be able to get through there?"

"I should think you will," he replied. "a ten ton truck just went through.

"I see you got a new dog today. What breed is it?"

"He's an air-tight. His mother was an airdale and his father was a scotch terrier."

Teacher: Why don't you answer me?

James H: I did, teacher, I shook my head.

Teacher: But you don't expect me to hear it rattle away up here, do you?

Kind old gentleman: What do you call those two kittens, Glenn?

Glenn: I call 'em Tom and Harry. K. O. G. Why don't you name them Cook and Peary, after the great explorers?

Glenn: Aw, gwan mister, these ain't Pole cats.

"Are you hungry?" "Yes, Siam."

"Den Russia to the table and I'll Fig!" All right, Sweden my coffee with a Cuba sugar Denmark my bill."

First Negro: Boy, you is so thin you could close one eye and pass for a needle.

Second Ditto: Don't talk, fella; you is so thin yo' ma could give you grape juice and use you for a thermometer.

Aviation Stude: What happens, sir, if the parachute fails to open?

Tough Sarge: You come back, Sonny, and I'll give you another one.
